

## **Beat Keller**

Beat Keller, Ph.D., Prof.

Full professor for Plant Molecular Biology, University of Zürich, Switzerland

Director of the Institute of Plant Biology

Address: Institute of Plant Biology  
University of Zürich  
Zollikerstrasse 107  
CH-8008 Zürich, Switzerland

Phone: +41 1 634 8230

FAX: +41 1 634 8204

E-mail: [bkeller@botinst.uzh.ch](mailto:bkeller@botinst.uzh.ch)

## **Education and professional activities**

University of Basel	Studies in Biology 1978 -1982
University of Basel	PhD thesis in Molecular Biology 1983 -1985
The Salk Institute, San Diego, USA	Postdoctoral Fellow in the lab of Prof. C.J. Lamb, EMBO Fellowship, 1986 - 1989
Swiss Federal Research Station for Agronomy, Zurich	Group leader, Senior Scientist 1989 - 1997. Research in Plant Biotechnology / Disease resistance
ETH Zürich	June 1995: „Habilitation“ in Plant Molecular Biology From October 1995 to April 1998: Lecturer at the ETH Zürich.
University of Zürich, Institute of Plant Biology	November 1997 until today: full professor April 1998 until today: Institute director
Swiss Academy of Sciences	January 1 <sup>st</sup> , 2001: Vice-president for a period of six years
